

MANIFESTO

OF

LEGACY PARTY OF NIGERIA

[LPN]

PREAMBLE

It is common knowledge that many barriers such as corruption, total disregard to rule of law, insecurity, extreme and divisive forces, energy crisis, economic crisis etc. are militating against the progress of our nation.

It also not in doubt that these challenges are surmountable and as such the need for positive action towards tackling same.

Having the above challenges in mind and also aware that the past, present and future are continuum, the Legacy Party of Nigeria [LPN] deemed it necessary to offer hope to the millions of Nigerians who yearn for decent living.

In achieving this objective of making life more meaningful to most Nigerians, we shall adhere to rule of law, constitutionalism and work with human face.

Generally, our aims and objectives shall be:

1. To work to ensure legality, prosperity and nationality.
2. To work against bribery and corruption.
3. To work against sectional politics, divisive forces that is inimical to the development of our nation.
4. Working to maintain rule of law, social justice and fundamental human rights for all Nigerians irrespective of their race, religion, ethnic origin, economic status and disability, etc.
5. Working for the welfare and security of all Nigeria as also in our state objective and derivatives principle of state under the Constitution of the Federal Republic of Nigeria.
6. To encourage all Nigerian's especially the youth so as to actualize their positive life.
7. To provide quality leadership to all Nigerians in all its ramification.
8. Working with other nations of the world so as to boast trade and maintain International peace, security, harmony and cooperation.
9. To work against all social ills and encourage the restoration and promotion of our cherished cultural valves, norms and custom.

Legacy Party of Nigeria will focus on the following five (5) cardinal areas to achieve its objectives:

- a. The Economy
- b. Education
- c. Security
- d. Health
- e. Foreign Policy

THE ECONOMY

LEGACY PARTY OF NIGERIA will build an economy that creates jobs and opportunities; prosperity is part of our motto. We will build a long term economy by investing in people and infrastructure.

OUR PLAN FOR THE ECONOMY

LEGACY PARTY OF NIGERIA believe that entrepreneurs and small businesses play a vital role in delivering a prosperous economy. We also believe that access to capital is very crucial to entrepreneurs that desire to engage in new business or that are already in business but were constrained by paucity or unavailability of funds. Our economic master plan in supporting entrepreneurs and small businesses is to ensure that they have access to fund and capital they need.

Due to the obvious fact that bulk of poor Nigerian resides in the rural area, our priority will be to support entrepreneurs and small businesses by ensuring that they have access to fund and capital. **LEGACY PARTY OF NIGERIA** will:

1. Establishing Local Government Economic and Enterprise Council (LOGEEC) as an organ in every Local Government Areas of the federation to empower the people of Nigeria from the polling units, to the Ward and Local Government Areas by providing fund and capital at a low interest rate to the entrepreneurs to engage in various businesses including agriculture, production and manufacturing, etc. Activities of LOGEEC would be funded by **LEGACY PARTY OF NIGERIA** lead Federal Government who provide the takeoff grant with the LEGACY PARTY OF NIGERIA lead State and Local Government providing participating grant on monthly basis.

LEGACY PARTY OF NIGERIA strongly believes that realization of the above programme though **LOGEEC** would help to alleviate poverty, provide gainful employment for all citizens, lead to diversification of the economy; promote self-reliance and sufficiency in food production, rural development and reduction of rural- urban migration, industrialization, and stable power generation and distribution, etc.

A long term stable economy also required investment in infrastructure. **LEGACY PARTY OF NIGERIA** will therefore make infrastructure investment a priority in the following area:

1. Urbanization of Local Government headquarters by providing five (5) or ten (10) kilometer dual carriage road with street light powered by solar to each of the LGA in the country based on affordability.

2. Construction of rural feeder road linking the surrounding village to the LGA to enable the farmers to have access to market where their farm produce, goods and services are more needed.
3. Construction of National Motor Way Park.
4. Invest into all other viable option in generating electricity thereby increasing our power generation and reducing over dependent on already over burden reliance on gas and hydro as a source of generating energy in the country.
5. Support new direct investment on house building in collaboration with corporate, private, real estate, developers and NGO.
6. Support new direct spending on satellite houses to provide fishery, subsistence farming and poultry farm for the unemployed.
7. Build Petrol Mega Station in Local Government Area where non exist.

EDUCATION

Education is a priority of the **LEGACY PARTY OF NIGERIA** agenda. Every child deserves the best education in life by having access to quality and affordable education. Teachers deserves to be treated well, trained and retained to ensure that professional teachers are engaged in the education of our children.
