<b>58</b>	Summary

# Introduction

The Independent National Electoral Commission (INEC) is empowered by Section 103(1) of the Electoral Act 2010 (as amended) to conduct elections into the offices of Chairman, Vice Chairman and members of the Area Councils of the Federal Capital Territory (FCT). Pursuant to this power, the Commission will conduct election into these positions in the FCT Area Councils on Saturday 12th February 2022.

In furtherance of the Commission's continued effort to make information on the candidates contesting for elections available to Nigerians as required by Section 34 of the Electoral Act, this booklet provides detailed information on the particulars of candidates for the 2022 FCT Area Council election: their political parties, age, gender, disability status and educational qualifications.

The FCT Area Council has a total of 68 constituencies for 6 chairmen and 62 councillors. The election to the chairmanship positions will be contested by 55 candidates (52 male and 3 female) while the vice-chairmanship consists of 47 male and 8 female candidates sponsored by 14 political parties. The 363 candidates contesting for the councillorship positions consist of 332 males and 31 female contestants. Overall, some 473 candidates and their running mates are vying for 68 elective positions in the FCT.

In addition to this booklet, the list is also published in the Commission's FCT office as well as our website and social media platforms both as a legal requirement and for public information.
