PART 1 - PROCEDURES

SECTION I: INSTRUCTIONS TO APPLICANTS (ITA)

- A. General
 - 1. Scope of Application
 - 1.1 The name of the Procuring Entity inviting applications is defined in the PDS. The particular type of contract (Goods required) and its name and description of the contract(s) and its reference number are defined in the PDS. If the scope of the Contract so defined is in multiple contracts, it will be specified in the PDS if prequalification will be based on individual contracts or multiple contracts. The full Scope of Goods is described in Section V (Scope of Goods).
 - 2. Source of Funds to be specified in the PDS, if deemed necessary.
 - 3. Fraud and Corruption
 - 3.1 The Nigerian Government requires compliance with its Anti-Corruption laws and its prevailing sanctions policies and procedures.
 - 3.2 In further pursuance of this policy, Applicants shall permit and shall cause their agents (whether declared or not), subcontractors, sub-consultants, service providers, suppliers, and their personnel, to permit the Bureau of Public Procurement (BPP) to inspect all accounts, records and other documents relating to any initial selection process, prequalification process, tender submission (in case of prequalified), proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the BPP.
 - 4. Collusive practices
 - 4.1 The Procuring Entity requires compliance with the provisions of Nigerian law, regarding collusive practices in contracting. Any applicant found to have engaged in collusive conduct shall be disqualified and criminal and/or civil sanctions may be imposed. To this effect, applicants shall be required to complete and sign a Certificate of Independent Tender Determination” annexed to the Form of the applicant.
 - 4.2 Code of Ethical Conduct: We undertake to adhere to the Code of Ethical Conduct for Suppliers, Contractors, and Service Providers during the procurement process and the execution of any resulting Contract.
 - 5. Eligible Applicants
 - 5.1 Applicants shall meet the eligibility criteria as per this ITA and ITA 5.1 and 5.2. An Applicant may be a firm that is a private entity, a state-owned enterprise or institution subject to ITA 5.9, or any combination of such entities in the form of a joint venture (“JV”) under an existing agreement or with the intent to enter into such an agreement supported by a letter of intent. In the case of a joint venture, all members shall be jointly and severally liable for the execution of the entire Contract per the Contract terms. The JV shall nominate a Representative who

shall have the authority to conduct all business for and on behalf of all the members of the JV during the prequalification process, tendering (in the event the JV submits a Tender), and during contract execution (in the event the JV is awarded the Contract). Members of a joint venture may not also make an individual tender, be a subcontractor in a separate tender or be part of another joint venture for the same Tender. The maximum number of JV members shall be specified in the PDS.

- 5.2 Public Officers of the Procuring Entity, their Spouses, Child, Parent, Brother, or Sister. Child, Parent, Brother, or Sister of a Spouse, their business associates or agents, and firms/organizations in which they have a substantial or controlling interest shall not be eligible to be prequalified. Public Officers with such relatives are also not allowed to participate in any procurement proceedings.
- 5.3 A firm may apply for prequalification both individually, and as part of a joint venture, or participate as a subcontractor. If prequalified, it will not be permitted to tender for the same contract both as an individual firm and as a part of the joint venture or as a subcontractor. However, a firm may participate as a subcontractor in more than one Tender, but only in that capacity. Tenders submitted in violation of this procedure will be rejected.
- 5.4 A firm and any of its affiliates (that directly or indirectly control, are controlled by, or are under common control with that firm) may submit its application for prequalification either individually, as a joint venture, or as a subcontractor among them for the same contract. However, if prequalified, only one prequalified Applicant will be allowed to tender for the. All Tenders submitted in violation of this procedure will be rejected.
- 5.5 An Applicant may have the nationality of any country, subject to the restrictions under ITA 5.1 and 5.2. An Applicant shall be deemed to have the nationality of a country if the Applicant is constituted, incorporated, or registered in and operates in conformity with the provisions of the laws of that country, as evidenced by its articles of incorporation (or equivalent documents of constitution or association) and its registration documents.
- 5.6 Applicants shall not have a conflict of interest. Applicants shall be considered to have a conflict of interest, if they, or any of their affiliates, participated as a consultant in the preparation of the design or technical specifications hereof or have been hired or proposed to be hired by the Procuring Entity for contract implementation of the contract(s) that are the subject of this prequalification. In addition, Applicants may be considered to have a conflict of interest if they have a close business or family relationship with a professional staff of the Procuring Entity who:
 - a are directly or indirectly involved in the preparation of the prequalification Document or Invitation to Tender (ITT), Document or specifications of the Contract, and/or the Tender evaluation process of such Contract; or
 - b would be involved in the implementation or supervision of such Contract, unless the conflict stemming from a such relationship has been resolved in a manner acceptable to the Procuring Entity throughout the

prequalification, ITT process, and execution of the Contract.

- 5.7 An Applicant that has been debarred shall be ineligible to be initially selected for, prequalified for, tender for, propose for, or be awarded a contract during such period as the BPP shall have determined. The list of debarred firms and individuals is available on the Nigerian Government website.
- 5.8 Applicants that are state-owned enterprises or institutions in Nigeria may be eligible to prequalify, compete, and be awarded a Contract(s) only if they can establish, in a manner acceptable to the Procuring Entity, that they (i) are legally and financially autonomous (ii) operate under commercial law, and (iii) are not under the supervision of any public entity.
- 5.9 An Applicant shall not be under sanction or debarment from Tendering by the BPP as the result of the execution of a Tender/Proposal–Securing Declaration.
- 5.10 A Nigerian Applicant shall be eligible to be prequalified if it provides evidence of having fulfilled all its obligations to pay taxes, pensions, and social security contributions and meets the other compliance requirements and qualification, relevant experience conditions specified or required for registration on the Bureau of Public Procurement’s National Database of Contractors, Consultants and Service Providers (NDCCSP) or specified in this document.
- 5.11 An Applicant shall provide any other such documentary evidence of eligibility satisfactory to the Procuring Entity, as the Procuring Entity shall reasonably request.

6 Eligibility

- 6.1 Firms and individuals may be ineligible if they are nationals of ineligible countries as indicated herein. The countries, persons, or entities are eligible if:
 - a. As a matter of law or official regulations, Nigeria prohibits commercial relations with that country, or
 - b. By an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, Nigeria prohibits any import of Goods from that country, or any payments to any country, person, or entity in that country.
- 6.2 When the Goods are implemented under a cross-entity basis (and more than procurement body is acting as a Procuring Entity, and is involved in the procurement), then exclusion of a firm or individual based on ITT 5.1(a) above by any procurement body in Nigeria may be applied to that procurement across other Nigerian procurement bodies involved, if the multiple Nigerian Procuring Entities involved in the procurement so agree.
- 6.3 Any Goods with characteristics that have been declared by the relevant national environmental protection agency or food and drug by other competent authorities as harmful to human beings and the environment shall not be eligible for procurement.

6.4 A Tenderer will be deemed as ineligible if they are proven to be non-compliant with Nigerian law, as determined by the relevant regulatory or enforcement body, and Tenderer has not provided sufficient evidence to reverse the determination.

B. Contents of the Prequalification Documents

7 Sections of Prequalification Document

7.1 This Prequalification Document consists of parts 1-2 which comprises all the sections indicated below, and which should be read in conjunction with any Addendum issued per ITA 8.

PART 1 - PROCEDURES

i. SECTION I: INSTRUCTIONS TO APPLICANTS (ITA)

ii. SECTION II: PREQUALIFICATION DATA SHEET (PDS)

iii. SECTION III: QUALIFICATION CRITERIA AND REQUIREMENTS

TENDERING FORMS

iv. SECTION IV: SCOPE OF GOODS

7.2 Unless obtained directly from the Procuring Entity, the Procuring Entity accepts no responsibility for the completeness of the document, responses to requests for clarification, or the minutes of the pre-application meeting (if any), or Addenda to the Prequalification Document per ITA 8. In case of any discrepancies, documents issued directly by the Procuring Entity shall prevail.

7.3 The Applicant is expected to examine all instructions, forms, and terms in the Prequalification Document and to furnish with its application, all information or documentation as is required by the Prequalification Document.

8 Clarification of Prequalification Documents, site visit(s), and Pre-Application Meeting

8.1 An Applicant requiring any clarification of the Prequalification Document shall contact the Procuring Entity in writing at the Procuring Entity's address indicated in the PDS. The Procuring Entity will respond in writing to any request for clarification provided that such request is received no later than ten (10) days before the deadline for submission of the applications. The Procuring Entity shall forward a copy of its response to all prospective Applicants who have obtained the Prequalification Document directly from the Procuring Entity, including a description of the inquiry but without identifying its source. If so indicated in the PDS, the Procuring Entity shall also promptly publish its response on the webpage identified in the PDS. Should the Procuring Entity deem it necessary to amend the Prequalification Document as a result of a clarification, it shall do so following the procedure under ITA 8. And per the provisions of ITA 17.2.

8.2 The Applicant, at the Applicant's own responsibility and risk, is encouraged to

visit and examine and inspect the Site of the required contracts and obtain all information that may be necessary for preparing the application. The costs of visiting the Site shall be at the Applicant's own expense. The Procuring Entity shall specify in the PDS if a pre-application meeting will be held, when, and where. The Procuring Entity shall also specify in the PDS if a pre-arranged Site visit will be held and when. The Applicant's designated representative is invited to attend a pre-application meeting and a pre-arranged site visit. The purpose of the meetings will be to clarify issues and answer questions on any matter that may be raised at that stage.

- 8.3 The Applicant is requested to submit any questions in writing, to reach the Procuring Entity not later than the period specified in the PDS before the submission date of applications.
- 8.4 Minutes of a pre-arranged site visit and those of the pre-application meeting, if applicable, including the text of the questions asked by Applicants and the responses given, together with any responses prepared after the meeting, will be transmitted promptly to all Applicants who have acquired the prequalification documents. Minutes shall not identify the source of the questions asked.
- 8.5 The Procuring Entity shall also promptly publish anonymized (*no names*) Minutes of the pre-arranged site visit and those of the pre-proposal meeting on the web page identified in the PDS. Any modification to the Prequalification Documents that may become necessary as a result of the pre-arranged site visit and those of the pre-application meeting shall be made by the Procuring Entity exclusively through the issue of an Addendum under PDS 8 and not through the minutes of the pre-application meeting. Non-attendance at the pre-arranged site visit and the pre-tender meeting will not be a cause for the disqualification of a Tenderer.

9 Amendment of Prequalification Document

- 9.1 At any time before the deadline for submission of Applications, the Procuring Entity may amend the Prequalification Document by issuing an Addendum.
- 9.2 Any Addendum issued shall be part of the Prequalification Document and shall be communicated in writing to all Applicants who have obtained the Prequalification Document from the Procuring Entity. The Procuring Entity shall promptly publish the Addendum at the Procuring Entity's webpage identified in the PDS.
- 9.3 To give Applicants reasonable time to take an Addendum into account in preparing their Applications, the Procuring Entity may, at its discretion, extend the deadline for the submission of Applications per ITA 17.2.

C. Preparation of Applications

10 Cost of Applications

- 10.1 The Applicant shall bear all costs associated with the preparation and submission of its Application. The Procuring Entity will in no case be responsible or liable

for those costs, regardless of the conduct or outcome of the prequalification process.

11 Language of Application

11.1 The Application as well as all correspondence and documents relating to the prequalification exchanged by the Applicant and the Procuring Entity shall be written in the English Language. Supporting documents and printed literature that are part of the Application may be in another language, provided they are accompanied by an accurate translation of the relevant passages in the English language, in which case, for purposes of interpretation of the Application, the translation shall govern.

12 Documents Comprising the Application

12.1 The Application shall comprise the following:

- a. Application Submission Letter, per ITA 13.1;
- b. Eligibility: documentary evidence establishing the Applicant's eligibility, per ITA 14.1;
- c. Qualifications: documentary evidence establishing the Applicant's qualifications, per ITA 15; and
- d. Any other document required as specified in the PDS.

12.2 The Applicant shall furnish information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Application.

13 Application Submission Letter

13.1 The Applicant shall complete an Application Submission Letter as provided in Section IV (Application Forms). This Letter must be completed without any alteration to its format.

14 Documents Establishing the Eligibility of the Applicant

14.1 To establish its eligibility per ITA 4, the Applicant shall complete the eligibility declarations in the Application Submission Letter and Forms ELI (eligibility) 1.1 and 1.2, included in Section IV (Application Forms).

15 Documents Establishing the Qualifications of the Applicant

15.1 To establish its qualifications to perform the contract(s) per Section III, Qualification Criteria and Requirements, the Applicant shall provide the information requested in the corresponding Information Sheets included in Section IV (Application Forms).

15.2 Wherever an Application Form requires an Applicant to state a monetary amount, Applicants should indicate the Nigeria Naira and equivalent if applicable using

the rate of exchange determined as follows:

- a For construction turnover or financial data required for each Year-Exchange rate prevailing on the last day of the respective calendar year (in which the amounts for that year are to be converted).
 - b Value of single Contract-Exchange rate prevailing on the date of the contract.
- 15.3 Exchange rates shall be taken from the publicly available source identified in the PDS. Any error in determining the exchange rates in the Application may be corrected by the Procuring Entity.
- 15.4 Applicants shall be asked to provide, as part of the data for qualification, such information, including details of its direct and beneficial ownership, and or beneficial ownership as shall be required to determine whether, according to the classification established by the Procuring Entity, a particular contractor or group of contractors qualifies for a margin of preference. Further, the information will enable the Procuring Entity to identify any actual or potential conflict of interest concerning the procurement and/or contract management processes, or a possibility of collusion between Applicants, and thereby help to prevent any corrupt influence concerning the procurement processor contract management.
- 15.5 The purpose of the information described in ITT 6.2 above overrides any claims to confidentiality that an Applicant may have. There can be no circumstances in which it would be justified for an Applicant to keep information relating to its direct or beneficial ownership and control confidential where it is tendering to undertake public sector work and receive public sector funds. Thus, confidentiality will not be accepted by the Procuring Entity as a justification for an Applicant's failure to disclose, or failure to provide required information on its ownership and control.
- 15.6 The Applicant shall provide further documentary proof, information, or authorizations that the Procuring Entity may request concerning ownership and control which information on any changes to the information which was provided by the Applicant under ITT 6.3. The obligations to require this information shall continue for the duration of the procurement process and contract performance and after completion of the contract, if any change to the information previously provided may reveal a conflict of interest concerning the award or management of the contract.
- 15.7 All information provided by the Applicant under these requirements must be complete, current, and accurate as of the date of provision to the Procuring Entity. In submitting the information required under these requirements, the Applicant shall warrant that the information submitted is complete, current, and accurate as of the date of submission to the Procuring Entity.
- 15.8 If an Applicant fails to submit the information required by these requirements, their application will be rejected. Similarly, if the Procuring Entity is unable, after taking reasonable steps, to verify to a reasonable degree the information submitted by an Applicant under these requirements, then the application will be

rejected.

- 15.9 If the information submitted by an Applicant under these requirements, or obtained by the Procuring Entity (whether through its inquiries, through notification by the public, or otherwise), shows any conflict of interest which could materially and improperly benefit the Applicant concerning the procurement or contract management process, then:
- a. If the procurement process is still ongoing, the Applicant will be disqualified from the procurement process,
 - b. If the contract has been awarded to that Applicant, the contract award will be set aside,
- 15.10 the Applicant will be referred to the relevant law enforcement authorities for investigation of whether the Applicant or any other persons have committed any criminal offence.
- 15.11 If an Applicant submits the information under these requirements that is incomplete, inaccurate, or out-of-date or attempts to obstruct the verification process, then the consequences of ITT 6.7 will ensue unless the Applicant can show to the reasonable satisfaction of the Procuring Entity that any such act was not material or was due to genuine error which was not attributable to the intentional act, negligence or recklessness of the Applicant.

16 Signing of the Application and Number of Copies

- 16.1 The Applicant shall prepare one original of the documents comprising the Application as described in ITA 11 and mark it "ORIGINAL". The original of the Application shall be typed or written in indelible ink and shall be signed by a person duly authorized to sign on behalf of the Applicant. In case the Applicant is a JV, the Application shall be signed by an authorized representative of the JV on behalf of the JV and to be legally binding on all the members as evidenced by a power of attorney signed by their legally authorized signatories. The Applicant shall submit copies of the signed original Application, in the number specified in the PDS, and mark them "COPY". In the event of any discrepancy between the original and the copies, the original shall prevail.

D. Submission of Applications

17 Sealing and Marking of Applications

- 17.1 The Applicant shall enclose the original and the copies of the Application in a sealed envelope that shall:
- a. Bear the name and address of the Applicant;
 - b. Be addressed to the Procuring Entity, per ITA 17.1; and
 - c. Bear the specific identification of this prequalification process indicated in the PDS 1.1.

- 17.2 The Procuring Entity will accept no responsibility for not processing any envelope that was not identified as required in ITA 16.1 above.
- 18 Deadline for Submission of Applications
- 18.1 Applicants may either submit their applications by mail or by hand. Applications shall be received by the Procuring Entity at the address and no later than the deadline indicated in the PDS. When so specified in the PDS, Applicants have the option of submitting their Application electronically, per electronic Application submission procedures specified in the PDS.
- 18.2 The Procuring Entity may, at its discretion, extend the deadline for the submission of Applications by amending the Prequalification Document per ITA 8, in which case all rights and obligations of the Procuring Entity and the Applicants subject to the previous deadline shall thereafter be subject to the deadline as extended.
- 19 Late Applications
- 19.1 The Procuring Entity shall not consider any Application that arrives after the deadline for submission of Applications. Any Application received by the Procuring Entity after the deadline for submission of Applications shall be declared late, rejected, and returned unopened to the Applicant.
20. Opening of Applications
- 20.1 The Procuring Entity shall open all Applications at the date, time, and place specified in the PDS. Late Applications shall be treated per ITA 19.1.
- 20.2 Applications submitted electronically (if permitted under ITA 17.1) shall be opened per the procedures specified in the PDS.
- 20.3 The Procuring Entity shall prepare a record of the opening of Applications to include, as a minimum, the name of the Applicants. A copy of the record shall be distributed to all Applicants.
- E. Procedures for Evaluation of Applications
- 21 Confidentiality
- 21.1 Information relating to the Applications, their evaluation, and results of the prequalification shall not be disclosed to Applicants or any other persons not officially concerned with the prequalification process until the notification of prequalification results is made to all Applicants per ITA 28.
- 21.2 From the deadline for submission of Applications to the time of notification of the results of the prequalification per ITA 28, any Applicant that wishes to contact the Procuring Entity on any matter related to the prequalification process may do so only in writing.
- 22 Clarification of Applications

- 22.1 To assist in the evaluation of Applications, the Procuring Entity may, at its discretion, ask an Applicant for a clarification (including missing documents) of its Application, to be submitted within a stated reasonable period. Any request for clarification from the Procuring Entity and all clarifications from the Applicant shall be in writing.

If an Applicant does not provide clarifications and/or documents requested by the date and time set in the Procuring Entity's request for clarification, its Application shall be evaluated based on the information and documents available at the time of evaluation of the Application.

22 Responsiveness of Applications

- 22.1 The Procuring Entity may reject any Application which is not responsive to the requirements of the Prequalification Document. In case the information furnished by the Applicant is incomplete or otherwise requires clarification as per ITA 21.1, and the Applicant fails to provide satisfactory clarification and/or missing information, it may result in disqualification of the Applicant.

23 Margin of Preference

- 23.1 Unless otherwise specified in the PDS, a margin of preference shall not apply in the Tendering process resulting from this prequalification.

24 Nominated Subcontractors

- 24.1 Unless otherwise stated in the PDS, the Procuring Entity does not intend to execute any specific elements of the Goods by sub-contractors selected in advance by the Procuring Entity (so-called "Nominated Subcontractors").

- 24.2 The Applicant shall not propose to subcontract the whole of the Goods. The maximum limit of subcontracting permitted under the contract may be specified by the Procuring Entity in the Tendering Document. The Procuring Entity, in ITA 25.2, may permit the Applicant to propose subcontractors for certain specialized parts of the contract as indicated therein ("Specialized Subcontractors"). Applicants planning to use such Specialized Subcontractors shall specify, in the Application Submission Letter, the activity(ies) or parts of the Goods proposed to be subcontracted along with details of the proposed subcontractors including their qualification and experience.

F. Evaluation of Applications and Prequalification of Applicants

25 Evaluation of Applications

- 25.1 The Procuring Entity shall use the factors, methods, criteria, and requirements defined in Section III, Qualification Criteria and Requirements, to evaluate the qualifications of the Applicants, and no other methods, criteria, or requirements shall be used. The Procuring Entity reserves the right to waive min or deviations from the qualification criteria if they do not materially affect the technical capability and financial resources of an Applicant to perform the Contract.

25.2 Subcontractors proposed by the Applicant shall be fully qualified and meet the minimum specific experience criteria as specified for their parts of the proposed contract for Goods. The subcontractor's qualifications shall not be used by the Applicant to qualify for Goods unless their parts of the Goods were previously designated by the Procuring Entity in the PDS as can be met by Specialized Subcontractors, in which case:

- i) The Specialized Subcontractors shall meet the minimum qualification requirements specified in Section III, and
- ii) the qualifications concerning the specific experience of the Specialized Subcontractor proposed by the Applicant may be added to the qualifications of the Applicant for the evaluation.

Unless the Applicant has been determined prequalified on its own without considering the qualification and experience of the proposed specialized sub-contractor, the tender submitted by the Applicant shall include the same specialized sub-contractor failing which, the such tender may be rejected.

25.3 In the case of multiple contracts, Applicants should indicate in their applications the individual contract or combination of contracts in which they are interested. The Procuring Entity shall prequalify each Applicant for each lot and for a combination of contracts for which the Applicant has thereby indicated its interest and for which the Applicant meets the appropriate aggregate requirements of the Eligibility and Qualification Criteria.

25.4 Further, in the case of multiple contracts, the Procuring Entity will prepare the Eligibility and Qualification Criteria Form for items 3.1, 3.2, 4.2(a), and 4.2(b) for each Lot, to be completed by applicants.

25.5 Only the qualifications of the Applicant shall be considered. The qualifications of other firms, including the Applicant's subsidiaries, parent entities, affiliates, subcontractors (other than Specialized Subcontractors per ITA 25.2 above), or any other firm(s) different from the Applicant shall not be considered.

26 Procuring Entity's Right to Accept or Reject Applications

26.1 The Procuring Entity reserves the right to accept or reject any Application and to annul the prequalification process and reject all Applications at any time, without thereby incurring any liability to the Applicants.

27 Prequalification of Applicants

27.1 All Applicants whose applications substantially meet or exceed the specific qualification requirements will be prequalified by the Procuring Entity. The Procuring Entity shall notify all Applicants in writing of the names of those Applicants who have been prequalified or conditionally prequalified. In addition, those Applicants who have been disqualified will be informed separately. Applicants that have not been prequalified may write to the Procuring Entity to request, in writing, the grounds on which they were disqualified.

- 28 Invitation to Tender
- 28.1 Promptly after the notification of the results of the prequalification, the Procuring Entity shall invite Tenders from all the Applicants that have been prequalified or conditionally prequalified. Applicants may be required to provide a Tender Security or a Tender-Securing Declaration acceptable to the Procuring Entity in the form and an amount to be specified in the Tendering Document. The successful Applicant shall be required to provide a Performance Security as specified in the Tendering Document.
- 30 Changes in Qualifications of Applicants
- 30.1 Any change in the structure or formation of an Applicant after being prequalified per ITA 27 and invited to tender (including, in the case of a JV, any change in the structure or formation of any member and also including any change in any specialized subcontractor whose qualifications were considered to prequalify the Applicant) shall be subject to the written approval of the Procuring Entity before the deadline for submission of Tenders. Such approval shall be denied if (i) a prequalified applicant proposes to associate with a disqualified applicant or in case of a disqualified joint venture, any of its members; (ii) as a consequence of the change, the Applicant no longer substantially meets the qualification criteria outlined in Section III (Qualification Criteria and Requirements); or (iii) in the opinion of the Procuring Entity, the change may result in a substantial reduction in competition. Any such change should be submitted to the Procuring Entity not later than fourteen (14) days after the date of the Invitation to Tender.
- 31 Procurement Related Complaints
- 31.1 The procedures for making a Procurement-related Complaint are as specified in the PDS.
